Club members voted for approval on the following items:

- * Voted to let Jeff Degnan coordinate a gun raffle – the way he wants! The raffle would go towards the Trap machine recently completed repairs. The Trap machine is working like new!
- * Approved \$1500.00 to Pre-pay R.J. McDonald in the Fuel Oil program. This amount should lock us in at current price and carry throughout the winter.
- * Approved Roger King & Tim Fitzgerald's proposal to purchase and sell BSC hats.
- * Voted to raise the 150 Member Cap up to 175. This is a By-law change and will have to be voted on at the next 3 consecutive meetings and with two-thirds vote. This was the second approval.

NEW BUSINESS

Herm Eck volunteered to complete the annual Mass Land Classification form.

Next month is elections! We need some new officers, Board of Directors and Bar Manager. Ed Pollock said it's the best pickup line he ever used! – "I'm the President of the BSC"! Think of the glory, the power, the woman and the control to lead the BSC throughout 2006! There are plenty of folks willing to help a new officer learn the ropes.

The Club Web site is up and running.
