A moment of silence was observed for Life club member Andy Dymond, who recently passed away.

Functions – Completed

Turkey Shoot was another successful event on the 12th of November. Barry Peddle was the coordinator for this activity. Approximately 30 participants ventured out on a drizzle day. Young Charlie Hobbs shot a rubber glove blowing in the wind at the 100 yard mark to win that round!

Youth Chucker Partridge Shoot was on the 25th of November and had a turnout about 4 kids. 25 birds were put up and none were lost. David Hobbs coordinated this activity.

Kids Christmas Party was held on December 3rd. Roger Chouinard & his wife coordinated this activity with Santa Clause and his Elf's. The hall was decorated in the Christmas spirit and munchies, cookies and beverages were served. Santa made it and gave out gifts to the children's delight. The kids all had a great time including Santa! Club members gave a big appreciation applause - many thanks to the Chouinards and all the folks who helped and participated.

The Fire Alarm has been completely installed, tested and Rick Electric gave a presentation on the operation of the new system. Instructions are posted to the right side of the control panel next to the kitchen door. Alarm Panel keys were issued to Dave Hobbs, Jeff Degnan, George Marshall & Mike Crevier. George Marshall was the POC for overseeing this contract. Inspection and acceptance was completed in conjunction with Fire Chief Joe Rogowski.

Thanks to the folks who participated and worked.

- Tony Pitisci has purchased and place the Lamb in the freezer for the upcoming Annual Lamb Feed.
- Several complaints were brought up about members not picking up after themselves on the range. Please help – pick up trash and put into the containers.
- Peter Cirelli requested to rent the club on 11,12 & 13 May for Mobile Home Event. He extended the invitation to the club members. This has been put on hold until the annual club calendar is completed.

The Club Web site is up and running.
