ACTIVITIES QUARTERLY UPDATE

April; The Back Powder Shoot was another success earning a small profit.

April; Selection of contractors to complete the Fire Protection System. Rick Electric was low bidder and has signed a contract. Fire Protect was low bidder for the Fire Suppression System over the Stove.

John Neri signed as the contractor to install the door. All work will cost an estimate \$8,000.00.

May; Sportsman's Challenge was on 21 May – this event is competition between other local clubs – includes; Trap, 22 & Archery shoots. BSC won this event with Tom Salvador being the number 1 shooter; Fig (John Neri) came in 2nd and young Charlie Hobbs 3rd.

May; President Mark Koenig gave an update on the work agreement with the Town of Barre Fire Chief. Submitted all contract quotes as requested by Chief Rogowski

May; The Roof Vent work has been completed by Dave & Ray Berard and Mark Koenig will contact Fire Protec to install the Fire Suppression System above the gas stove required by MA State Law.

June; Steak and Lobster Feed made another small profit and the bar did fantastic!

June; George Marshall has been trying to get Fire Protec to start installing the Fire Suppression System above the stove?

* Club members gave a big applause of appreciation for all the committees' hard work!
