Turkey Shoot was another successful event on the 12<sup>th</sup> of November. Ed Pollock was the coordinator for this activity. Approximately 25 participants ventured out on a cold but sunny day. Ed reported that we made a small profit! Everyone had a good time even after hearing Ed's jokes! Ed don't give up your day job!

Youth Chucker Partridge Shoot was on the 27<sup>th</sup> of Oct. and had 3 kids shooting. Chris Dugan coordinated this.

Kids Christmas Party was held on December 2nd. Roger Chouinard & his wife coordinated this activity with Santa Clause and his Elf's. Glen Berube reported that the hall was decorated in the Christmas spirit and munchies, cookies and beverages were served. Santa made it and gave out gifts to the children's delight. The kids all had a great time including Santa! Club members gave a big appreciation applause - many thanks to the Chouinards and all the folks who helped and participated. Glen said he kept his pistol on his hip in case the Grinch showed up – he never did.

George Marshall reported that last inspections were completed by the Barre Building inspector and all work was accepted. Thanks again to all the club members who donated their time to help with the various projects completed in order to meet the Fire & Building codes.
