Thanks to the folks who participated and worked. Remember we need volunteers!

- Voted in new club member Clark Abysalsh.
- A moment of silence was held for the late former original founding member Earl Sample.
- Roger King reported a few missing tables. Please return if you have them. The tables in the club hall are not for loan. The old wooden ones in the attic that weigh a ton are okay to use. Guaranteed to bust a nut when moving!
- Tom Berube reported that the MDCR Quabbin is selling an annual fishing pass for \$50.00. Also brought up the Spiny Water Flea which is not transferred sexually but through boats. Keep that rascal clean!
- Kevin Cooley reported that the Barre Chief will support the proposed range improvements. Voted to allow the Barre Police to use the range for training provided that they pay an annual associate member fee of \$30.00 and meet with the BOD to review policy.
- Voted to allow Kevin Cooley & Mass Law Enforcement Ass. a training day on 23 June.
- Steve D. wants to re-apply to the NRA for a grant to improve the range.
- Treasure John Mott and myself will not be running for office. Anyone interested in either position please contact a BOD.
