Grand Slam Fishing Derby March 3rd 978-724-0213 Mark Keonig

Event was a wonderful success, well attended, great food, awesome raffle and we also made some money towards our club expenses! Way to go Mark!

Youth Turkey Hunt Training Class

The training had the highest youth signups yet, with 21 youth attending the class. Breakfast was served, with the training following which included both in class as well as hands on shooting, gun safety, and call training for each of the attendees. Lunch was served, and due to the cool breezes and temperatures, plenty of coffee consumed by all!

Photograph: 21 youth turkey hunt training class attendees with their turkey targets. Lucky for the turkey population on that Saturday that they were only shooting at paper targets! ☺

Game Supper on March 10th

Food prep began the first part of the week and cooking of some absolutely scrumptious dishes followed. It was VERY well attended, the food was delicious and a good time was had by all. The event cleared a significant return, which will certainly be well utilized for continued upkeep and events at the club.
