In Memoriam

Unfortunately our club lost another member this last month. A moment of silence was observed at the meeting in his memory. Please keep the family of Dale Smith in your thoughts in this difficult time. Our sincerest condolences go out to his family and friends.

Membership

We are reviewing capacity at the board meeting in June. We have not received renewals from all prior members and the deadline has passed. The waiting list will be reviewed and spaces, and potential new members will be called. If you did not send in your renewal on time, please contact Chris our VP, or send in a new application and the new application fee, as per our bylaws. If you have a fob or key in your possession and are not renewing, please return them to the club.

MEMBERSHIP CARDS have the event dates printed on the back, AND have the new gate code (which was installed on June 3rd at the club meeting). Please be sure to get your card to obtain the code.

Big Turkey Award:

Big turkey award went to Rick French's grandson Jake, who got a 24lb 4oz bird, with a 9-1/2" beard and 1" spurs. Way to go Jake! Nice bird! Better watch out Rick, it looks like you have some heavy up and coming competition as a game bird expert with your grandson. 😊

Few Highlights and upcoming details:

-Club cleanup was June 16th – if you missed it mark the calendar for next year. It's a great time to get the extras cleaned so we all can enjoy the use of the club through the year.

THANK YOU:

From the Boy Scouts: May 2012 was a huge success at their campout (you should've seen the picture of their bonfire Those boys know how to make a fire!). There were 22 kids there, and they also endeavored to lend some time doing service work by waterproofing the tables under the range pavilion. They sincerely appreciated the use of the club – and as club members we certainly appreciate their service while here and all they do in the community. It's a win-win!

From the MALAFIA group: Thank you to the club for the use of the range for our activities in May/June. It was sincerely appreciated – and to paraphrase and place appropriate commentary in the written word (no swearing ☺), 'you have an awesome facility, and we appreciated the use of it. Keep up the great work.'

From the Girl Scouts: June 2012 was a blast for their campout as well. The rain finally let up and they had only small bits here and there Friday night. The facilities are perfect, and so close by, it made it perfect for the kids to be able to participate and enjoy their outing. 'Thank you to the club for letting them utilize the facilities as well. It is sincerely appreciated.'
