Crowd Control Managers

All members are urged to go online and take this ~30 minute course and get certified. The club is required before opening for any event to go through a safety checklist and have a Crowd Control Manager on site at each event. For renting the club you will be required as the sponsoring member to have this certification as you will be responsible for the checklist. When you finish the course, please provide a copy to the board secretary and treasurer as there must be 1) One on site in a notebook which resides in the kitchen, 2) Must have the information in order for the maintenance of the liquor license as per MA state laws. Website address is <http://public.eopsslearning.com/>, and click on the DFS-Crowd Manager Training.
