### Call to members to serve

Have you ever wondered what it's like to be on the board? Have you thought you could 'make a difference' and serve the club for a year in one of the positions? Well your chance is coming ..... September 2013 will bring elections of officers and openings. So if you are interested in any position, President, Vice President, Secretary, Treasurer, board of directors representative or bar manager, be sure to ask one of the current folks serving in that roll what it's all about, and be sure to be there in September with someone to nominate you and ready to tell us why you'd like to serve your club. And please don't be shy – we welcome the interest and the chance for someone else to bring their ideas and leadership to our club. It's how we continuously improve and move forward!!

### Membership

Update from the VP indicates some openings; exact numbers TBD. Please know there is NO cap for junior membership.

If you have applications, or are a member, who missed the deadline last year and would like to reapply, please be sure to contact a member to get a sponsor and download an application off our website, then get it to our VP, Rob Deschenes. All spots are 'first come, first served' basis now that renewal period is completed.

### Gate Key Updates

FOBs are available to members who meet the criteria of: having paid this year's dues and have been a member for at least a year. If you need access or to obtain a FOB prior to the next meeting, please contact Rob Deschenes or Meridith Young. FOBs will be available to members in good standing, and will require a \$10.00 deposit, and will be issued with a number associated with the member and the FOB.

Old FOBs will be collected for disposal at the meeting as they are not able to be reprogrammed for the new door setup. Thank you for your patience as we update and get this set up so members' current and future will be able to have FOBs.

PLEASE NOTE: The gate code has NOT been changed as yet. Due to various schedule conflicts, the new membership cards are not yet printed, but once the updated membership list is in and these can be printed, the code will be noted on the back of the membership cards. Those who are NOT in attendance at a meeting will get them mailed to them if requested (I have a list started – and to those that have requested, I have NOT forgotten; we just do not have the updated list to print the cards from as yet, and the code has NOT changed, so don't worry you can still get in!).

**REMINDER: Crowd Control Managers**

All members are urged to go online and take this ~30 minute course and get certified. Website address is <http://public.eopsselearning.com/>, and click on the DFS-Crowd Manager Training.

**IT IS COMING..... The moment you have all been awaiting is coming, the Grand Slam Fishing Derby and fly rod raffle is in the works of being rescheduled. Stay tuned for more details, and thank you so much for your patience and understanding.**

**OTHER CLUB REMINDERS:**

**WHEN YOU LEAVE, PLEASE CLOSE THE GATE & LOCK THE NEW COMBINATION LOCK.
