Welcome to 2020 outdoors fans!! By the time this hits your doors we will have had our first meetings of the New Year, but I would be remiss if I didn't wish everyone a happy New Year, especially for those that may not make it out to the monthly meeting.

Ice fishing season should be in getting into full swing, assuming we haven't had any warmups or weather oddities that preclude a good solid ice foundation on our local 'fishing holes'. Be sure to bundle up when you go out – and check the ice thickness to be sure you're on safe 'ground'. We don't want any unexpected winter swimming excursions!?!?!? And good luck out there if you go – hope to hear a fishing tale or two at the Fishing Derby Banquet if you have a good one to share (and what fisherman doesn't?!?!?!?). Oh – and remember – hold that fish slightly up and away from you when taking the picture (someone told me it makes them look bigger I mean not that you'd need to stretch the fish size an inch or two but). 😊

FEBRUARY:

If you are interested in tickets to the Grand Slam Fishing Derby Banquet, please contact Mark Koenig at 978-724-0213 or John 'Fig' Neri at 978-857-8202 for tickets. It's the perfect day after Valentine's night out – as Fig will be serving up prime rib and the fixings', something sure to warm you in the cold January weather. Tickets are \$25 per person and there will be table raffles with lots of great prizes to win. Please be listening for the Onecalls for reminders or any changes to the details.

MARCH:

Shortly on the heels of February, the second Saturday in March will be our Game Supper. Keep the date in mind (14th) and be sure if you have any meat to donate for the event you let Fig know so he can work on his creative culinary skills to determine potentially new dishes for this year. Don't worry – I am quite sure there will be plenty of the 'old reliable' favorites on the menu as well! Tickets will be available in February at the meeting; be sure to secure yours once available as we typically sell out on this event quickly (and as it's an all indoor event, seats are limited). I can almost smell the dishes cooking now

WCLSC NEWSLETTER CONTENT:

If you have any ideas/thoughts/suggestions for the newsletter, don't hesitate to let me (Meridith) know as I'm open for suggestions. I'm trying to mix it up a bit and exercising some of my creativity in compilation of the details – so please be sure to give feedback on what you think. Of course, if you would like to submit something to be included, I am more than happy to facilitate its inclusion.

Stay warm out there – and we look forward to seeing y'all at a club meeting or function soon!!
