Zackary Glidden

2020 is unfolding as an interesting year; with modified interaction guidelines and requirements it has taken us to unparalleled situations. Without reasonable ways to 'police' and manage health and safety aspects in an all-volunteer group, and with average age ranges aligning with those deemed 'more susceptible and at risk' we have not had a meeting since March. I hope everyone has been able to focus on their favorite pursuits, whether it be fishing, hunting or just target shooting (range is still open; we ask you just respect social distancing guidelines and clean your way in/out of the range platforms and areas as appropriate). If you enter the facilities – please wear gloves and clean up behind yourself, for the safety of all of us.

### **RENEWALS**

Please note that renewals were emailed to those with email addresses. A copy however a membership form is available online at the website and can be printed, filled out and mailed with your dues. There will be a reasonable grace period and should anyone have issues or concerns with paying their dues, please reach out to a board member for assistance and guidance.

### **SPORTSMEN'S FALL CLASSIC OCTOBER 2020 – *\*\*Virtual Event\*\****

Sporting fans it is THAT time of year as we enter the 10<sup>th</sup> anniversary year for our Fall Classic – the tickets are available. If you wish to have some to sell – or just buy a few yourself, please reach out to a board member. Ticket stubs will have to be returned (DO NOT HOLD THEM) before the October date. At present, based on the protocols for social distancing and issues with potential sizes of the event and spacing, to meet all the required protocol, this will most likely be a VIRTUAL event. The tickets WILL be drawn, and winners announced shortly thereafter. Again, it is critical you obtain your tickets and return the stubs for drawing in a timely fashion. As always 1100 tickets only will be sold.
