April 25th saw the end of an era, with the loss of our oldest current member, Earl Cooley, Sr. (a.k.a. Bumpa). He was one of the men who had been with the club since its humble beginnings. Bumpa was one of the few locals who could say they had previously lived where the Quabbin Reservoir now resides, in one of the flooded towns. He could be found during Farmer's Market season on the Barre Common selling Bumpa's Maple Syrup, always ready with a chuckle and a smile. I am quite confident he is now enjoying himself with friends who preceded him, such as Bill 'Lorenzo' Ellsworth, and they are regaling further tales of fish larger than life, and deer with racks like 'no others seen before'.

Please note that renewals were emailed to those with email addresses; those without should receive a paper copy however a membership form is available online at the website and can be printed, filled out and mailed with your dues. There will be a reasonable grace period and should anyone have issues or concerns with paying their dues, please reach out to a board member for assistance and guidance.

Also remember the range is open to use, but please if you go shoot, use appropriate precautions as recommended by the CDC while using the range (masks, gloves etc. if you should be there with others) and if anyone else is there, abide by appropriate social distancing protocols. If you enter the facilities – please wear gloves and clean up behind yourself, for the safety of all of us.

I would be remiss as well if I did not mention that an active four legged member of the Youth Pheasant Hunt training 'crew', Rose, who worked with many of the youth helping flush out the birds so they could attempt to shoot them, left us all the end of April as well. She was well received by the participants ... both for her hunting skills and her loving manner.
