THE OUTDOORSMAN'S CORNER (POC – JOHN BILLINGS)

The wildlife are up, around and all about. Please be careful driving as they are everywhere this year! Also, great opportunities to glass up some animals in a chance to scout ahead of the season! The New Hampshire & Rhode Island Archery season has come and gone and firearm, blackpowder and shotgun seasons are open as well. Pheasant, Turkey, Geese were also largely in season through November as well.

John Billings was able to harvest a few nice Pheasant Roosters this year at a nearby Wildlife Management Unit:

Please forward your pictures and hunting stories as we'd love to include you in future issues to John Billings.
